

## Quincy Catholic Elementary Schools Foundation

# “LEAVE A LEGACY OF FAITH” ANNUAL & ENDOWED SCHOLARSHIP FUNDS

The future of our four elementary schools and the QCES Foundation is dependent upon establishing endowed scholarships to increase the pool of tuition assistance dollars that can be awarded to QCES families with demonstrated financial need. Fundraising alone, which has thus far been the primary source of income for the QCES Foundation, does not and will not provide the guaranteed long-term source of income needed by the Foundation. Therefore, the QCES Foundation is asking current and future benefactors to prayerfully consider endowing a scholarship, and **“Leave a Legacy of Faith”** for future generations.

Through the establishment of an endowed scholarship fund, you will help the QCES Foundation ensure the long-term financial health of both the Foundation and Quincy's four Catholic elementary schools. Endowed scholarship funds provide a growing, consistent and permanent source of income to fund QCES scholarships for those families/students with demonstrated financial need. Contributions for QCES Endowed Scholarships are invested to provide ongoing support for scholarships and tuition assistance for current QCES students as well as those in the future.
